

March 25, 1976

SENATOR SIMPSON: The amendment is adopted. Motion is to advance. All in favor say aye, opposed...Machine vote. All in favor vote aye, opposed vote nay. Voting aye. Have you all voted? Clerk will record.

CLERK: 26 ayes, 7 nays on the motion to advance.

SENATOR SIMPSON: Bill is advanced.

CLERK: Have another motion on the desk Mr. President.

SENATOR SIMPSON: Clerk will read.

CLERK: Read Kelly Motion.

SENATOR KELLY: Mr. President, members of the Legislature, I never agreed with the argument between Senator Carpenter and Governor Exon a couple of years ago, when we raised the Lt. Governor's salary to \$25,000. Those two people in their feud refused to raise the Governorships salary at that time. At this time I am doing that or asking this Legislature to do this. There will be no Call of the House or nothing, I just think that it is a disgrace to our Governorship to be kicked around that way. I move that we return the bill for that specific amendment. \$40,000.

SENATOR SIMPSON: Senator Warner.

SENATOR WARNER: Just a point of information from Senator Kelly, if I remember correctly it could not take affect until the next Governor takes office in any event. If I remember correctly, we could do it next session you know. I think that is correct, but I may be in error.

SENATOR KELLY: No, that is correct, the Governor that is seated, could not receive it, however this is an excellent time to do it when there are no politics involved at all. There is nobody running for Governor and there is no fiscal impact and there is no nothing else. We can look at our Governorship and not people.

PRESIDENT: Any further discussion? The question is shall the bill be returned? Have you voted? Have you all voted? Record.

CLERK: 17 ayes, 7 nays and 25 not voting.

PRESIDENT: Motion to return fails.

CLERK: There is a motion on the desk Mr. President.

PRESIDENT: Read the motion. Yes, Senator Burbach.

SENATOR BURBACH: Mr. President, members of the legislature. There are two more bills LB984 with two different amendments, one bill with two amendments for it. Now that is Senator Schmit's amendment, the bill is on E & R final. Now if that bill is processed on Monday, I can assure you that visiting with Emory Burnett, it can not be in position for an over-ride. If that is the desire of the body. I just bring this
